3. [REDACTED] LIAISON Received a call from Mark Gitenstein, Senate Select Committee on Intelligence staff, and informed him I would set up a meeting for him next week with [REDACTED] OGC, regarding the Green Beret murder case. Gitenstein is looking into this case in connection with the study of the Subcommittee on Secrecy and Disclosure into military and civilian cases where national security considerations impeded prosecutions. Gitenstein had requested a meeting for this week but I informed him that a key employee regarding this case was out of town. Gitenstein reminded me he wanted to see whatever documents were available on the case.
